Which **limits, difficulties**?

- Lack of **financial support**
- Instable **human resources**
- **Access** to sport facilities and local sport competitions

What practical lessons ? Conclusions

- Need to **adapt** the actions to specific **target groups** and **encourage** « invisible » groups (ex. female migrants)
- « All-in-one » programs aiming at **social integration** in a broad sense : avoid « **ghettoization** » of migrants and a exclusive use of **sport** (also other bodily, physical activity practices)
- Need for **long term, economic** and **HR sustainable** programs
- Need for **communication and coordination** between actors offering sports activities (NGO, civic society organisation and sport governing bodies)
